

FRIDAY NIGHT SHABES SONGS

(IN THE DINING ROOM)

1. UNDZER ERD

Undzer lebn oysgeshmidt
 In a fayerdiker keyt,
 Yidish vort, host ufgehit
 Undzer tsar un undzer freyd. (2x)

Our life is hammered out
 In a fiery chain.
 Yiddish language, you have continued
 Our pain and our joy.

2. KIDDUSH

Zeks teg hot got, mit mi un freyd
 Di velt bashafn un gegreyt.
 Tsum tog fun ru un shtil gemit,
 Tsu shabes, undzer heylid.

Un dos iz undzer kidesh,
 In folk-gebentshtn yidish.
 Geheylikt yom-hashishi
 Mit hertser reyne, frishe.

For six days, God, with labor and joy,
 Created the world and made it ready.
 To the day of rest and quiet spirit,
 To the Sabbath, our sacred song.

And this is our Kiddush,
 In Yiddish, language blessed by the Jewish people.
 We have sanctified the seventh day
 With hearts clean and fresh.

3. HIMNE FUN DI YINGSTE

Yingste kinder, kleyn un klener,
 Vaksn sheyn un blienshener,
 Ot azoy un ot azoy.

Di vos viln zikh derfreyen
 Kumen in di yingste reyen,
 Ot azoy un ot azoy.

Trinkt men milkh fun fulle bekher,
 Vakst men hekher, vakst men hekher,
 Ot azoy un ot azoy.

Lomir, yingste, zikh nor nemen,
 Veln eltste zikh farshemen,
 Ot azoy un ot azoy.

Small young children
 Growing pretty, blossoming prettier.
 That's how it is.

Those who want to enjoy themselves
 Join the yingste ranks.
 That's how it is.

We drink milk from full glasses
 And grow taller and taller.
 That's how it is.

If we yingste try hard enough
 We can even put the eltste to shame.
 That's how it is.

4. HIMNE FUN DI MITELE

Yingste do un eltste dort,
 Vert der veg tseshnitn,
 Vayl mir zaynen mitele,
 Geyen mir in mitn.

Mitn, mitn, mitele,
 Geyen mir in mitn.

Keyner hot di mitele
 Keyn mol nit farbitn,
 Do tsu yung un dort tsu alt,
 Blaybn mir in mitn.

Mitn, mitn, mitele,
 Blaybn mir in mitn.

Zumer zingt men af der shif,
 Vinter afn shlitn.
 Do tsu shtil un dort tsu hoykh,
 Zingen mir in mitn.

Mitn, mitn, mitele,
 Zingen mir in mitn.

Yingstes here and eltstes there,
 On both sides of the road.
 Because we are the mitele,
 We walk in the middle.

Middle, middle, middle,
 We walk in the middle.

No one has ever
 Mistaken the mitele.
 Here too young and there too old,
 We're always in the middle.

Middle, middle, middle,
 We're always in the middle.

In the summer you sing on a boat,
 In winter on a sled.
 Here too soft and there too loud,
 We sing in the middle.

Middle, middle, middle,
 We sing in the middle.

5. HIMNE FUN DI ELTSTE

Tif in hartsen undzer fon,
 Di groyse, groyse freyd fun ton.
 Di eltste, di eltste,
 Di eltste kumen on.

Durkh gold un blo, durkh gold un blo,
 Kumt on di groyse, sheyne sho.
 Di eltste, di eltste,
 Di eltste zaynen do.

Di freyd fun ton, di groyse freyd,
 Mir hobn zi in harts farzeyt.
 Di eltste, di eltste,
 Di eltste zaynen greyt.

Deep in our hearts we carry our banner –
 The great joy of doing.
 The eltstes, the eltstes,
 The eltstes are on their way.

Through gold and blue,
 The great beautiful hour arrives.
 The eltstes, the eltstes,
 The eltstes are here.

The joy of doing, the great joy –
 We planted it in our hearts.
 The eltstes, the eltstes,
 The eltstes are ready.

6. HIMNE FUN DI GROYSE

Birger kleyn un birger groys,
Vi es iz bashert.
Zaynen mir di birger groys
Do af undzer erd.

Breyt iz undzer dakh,
Shteyen mir di birger groys
Shtendik af der vakh.

Groyse, ale af der vakh,
Hitn mir dos hoyz.
Hitn mir, bavakhn mir,
Birger kleyn un groys.

Children and counselors,
These are our roles.
We are the counselors
Here in our land.

Our foundation is solid,
Our roof is wide.
We the counselors
Are always alert.

Counselors, let's keep watch,
And guard our home.
We watch and protect
Children and grown-ups.

FRIDAY NIGHT SHABES SONGS (IN THE AUDITORIUM)

When the sun goes down.
Our song of praise spreads
Far and wide.

Sing, sing, all together,
All, all, little and big.
Bring, bring, with joy and songs,
Light into our house.

Spread your warm wing
In the evening wind.
White candles in our house
When day disappears.

Sing, sing, all together,
All, all, little and big.
Bring, bring, with joy and songs,
Light into our house.

8. A LID VEL IKH ZINGEN (words: L. Lehrer / music: traditional)

I will sing a song,
 A song of my heart.
 To the gold of the evening,
 To the white of my clothes.
 A song to the singing
 Of Friday evenings.
 A song to the setting sun.

Too noisy is the gray
 Of the dusty roads.
 Too quiet the green
 Of the evening field.
 May we be blinded by the whiteness
 That approaches us.
 From our world made over by Shabes.

9. COME LET US SING, LET US SING OUT TOGETHER

Come let us sing, let us sing out together,
Come let us lift up our voices once more,
Away from the weekdays of worry and trouble,
With a heart that is free, with a heart that is pure.

Heaven burst open, the waters descended,
The sky beat the land til the land became strong,
And love, that created the world and its peoples,
Gave them a blessing of mercy and song.

Comfort to all who are beaten to sorrow,
We give you a blessing from pain of our own.
Know that the Lord is the tyrant's oppressor,
O brothers in suffering, in fear and alone.

Let not our memories lose the impression,
Forget the commandment from spirit and heart.
Of the tortured & tormented Jewish communities -
Martyrs for Justice, for Man, and for God.

The fortress of righteousness – mighty, eternal,
The light of the righteous shines ever the same.
Good fortune will follow the merciful heart,
But a heart that is hateful can only bring pain.

Come let us sing out together, together,
And let those in anguish take heart from our call.
Branches grow out of the strength of the tree,
And the roots must grow deep for the tree to grow tall.

Deep is the song of the stars in the havens,
Deep is the song of the grass of the earth.
To sing and to sing, and never grow weary,
The world to be hearing, alone to be heard.

In peace and in reverence, O let us listen
To the quietest whisper of leaves in their flight.
And with God's miracle, a clearness of vision,
Rise up together and walk in his light.

Peace to you angels, angels of peace,
Bringing from heaven the vision, the dream.
Gather us round you and make our way bright,
Us and the shadows we cast in the night.
With heavenly vision, O let us be blessed,
Angels of freedom and rest.

(traditional, music by C.N. Bialik)

The sun on the treetops no longer is seen.
Come gather to welcome the Sabbath Queen.
Behold her descending, the holy the blessed,
And with her the angels of peace and of rest.

Draw near, oh Queen, and here abide.
Draw near, draw near, oh Sabbath bride!

Peace also to you, ye angels of peace.

Will all shine
On us, on us.

The heart streams with song and praise.
In Boiberik, may the white dove of peace
Glide freely.

Glide high and free,
And free and far,
Land in, land out,
Land in, land out.
And Boiberik, and Boiberik,
Will be your loyal guardian.

Israel sings the song of peace,
Our woods and fields join in.
And see, how freely
All the doors of the world are opening.

23. YISROEL

Resound, oh shofars!
The world is born anew.
The spirit of the prophet awakens,
His word comes true.

Greetings from the land of Israel,
From the land of the prophetic dream.
From there, the voice rises louder and louder,
The call to peace for all time.

24. MILKHOME

Nem dem tsar fun ale doyres,
Shpreyt im oys af ale brikn,
Shnirl im af ale bremen,
Flants im ayn in ale blikn.

Dos geshrey, fun ale di farlorene,
Dos geveyn, fun ale nit geborene,
Es bet, es mont, in ayngevigt shlof,
A sof, a sof, a sof!

Take the sorrow of all generations,
Spread it out over all the bridges,
Place it on every brow,
Plant it in every glance.

The cry of the lost,
The weeping of those not yet born,
It begs, it demands, from its rocking slumber,
An end, an end, an end!

(continued...)

MILKHOME (cont'd.)

Shpreytn, shpreytn zikh di fayern,
Brenen, flakern di shayern,
Un yede frukht fun mentshns hent –

25. LID FUN DI YINGSTE

Di tsayt is do in a guter sho,

Dem veg mer nit fartzamen.

To gib di hant in nayem land,
Mir zaynen ale brider.

Un briderlekhe lider.

26. LID FUN DI MITELE

Gekumen iz di tsayt, yo iz di tsayt.
Zi iz shoynt vayt, shoynt nt vayt,
Yo gor nit vayt, gor nit vayt,
Dem mentsch bafrayen,
Yo, yo bafrayen,
Di gantse velt banayen,
Yo, yo banayen,
Yo, yo banayen,
Ufboyen fun dos nay!

The fires spread and spread,
The barns are all aflame,
And all the fruit of human hands –
Robbed, burned, ravaged.

The cry...

Look as far as the eye can see,
Count the wounds of the suffering,
Rest awhile on every grave
Of those cut down before their time.

The cry...

Take the axe and run wild,
Break the tombstones of the grave,
Split the skeletons of the dead,
And inscribe in every book:
“Let every sign of war
Be erased forever.”

The cry...

The time has come,
We rejoice together.
And no one will close the road
To the new land.

Welcome to the new land,
We are all brothers.
A free world of happiness and good fortune
And songs of brotherhood.

The time has come, yes, it's come.
It's not very far,
Not far at all.
Humanity to be freed.
Yes, the whole world renewed,
Lifted up newly!

27. LID FUN DI ELTSTE

Un vider hilkht dem novis vort
 Durkh noent un vayt,
 Un vider klingt dos groyse vort
 Durkh gor der velt.

 Un folk nokh folk,
 Un mensch nokh mensch,

 Un wolf un shof.
 Un zet – der onheyb fun dem sof
 Kumt on, kumt on.

The prophet's word
 From near and far,
 Is heard again throughout the world.
 And those destined to live in today's world
 Are heartened.

The eternal word of the prophet
 Is fulfilled.
 You carry away an old world,
 A rotting corpse.
 You are fortunate
 To witness the miracle.

The prophet calls,
 And all people heed his voice.
 And the joy among our people
 Grows stronger.
 Whoever has a hand to give
 Reaches out his hand.

And land after land,
 And nation after nation,
 And people after people,
 No longer divided into master and slave,
 Or wolf and sheep.
 And see – the beginning of the end
 Comes nearer and nearer.

28. BAS KOL

A bas kol fun himlen:
 Kum aher, du mentsh,
 In der nayer velt,

 Un shnayd mit gezang
 Vos du mit trern host farzeyt,
 In yisroel, yisroel.

An echo from the heavens:
 Come here, you person,
 Into the new world,
 To the new humanity.
 Oh come here and weep for joy
 In the house of peace.

An echo from the heavens:
 Come out, you person,
 Into the free fields
 And reap with song
 What you sowed with tears,
 In Israel, Israel.

29. DEKLAMATSYE UN KHOR

Di zun geyt uf, di zun fargeyt,
Di velt iz undzer greste freyd.
Di erd iz undzers a geshank
Far arbet, fridn un gezang.

O, brider, heybt di hent un shvert

Tsu lebn gut, tsu lebn klug,
Tsu esn zat, tsu zayn gekleydt,
Tsu lebn ale teg in freyd.

O, brider, heybt di hent un shvert
Tsu brengen fridn af der erd.

The sun rises, the sun sets,
The world is our greatest joy.
The earth is our gift
For work, peace and song.

Oh, brothers, lift your hands and swear
To bring peace on this earth.

For each nation there is enough
To live well, to live wisely,
To have enough to eat, to be clothed,
To live all their days in joy.

Oh, brothers, lift your hands and swear
To bring peace on this earth.

30. BAS KOL DEKLAMATSYE

Ale mentshn zaynen brider,

Shvartse, vayse, royte, gele –
Misht di farbn oys tzuzamen:
Ale mentshn zaynen brider,
Fun eyn tatan, fun eyn mamen.

All people are brothers,
Red, yellow, black, white.
Countries, nations, and climates
Are a made-up story.

Black, white, red, yellow –
Mix all the colors together:
All people are brothers,
From one father, from one mother.

31. DI HARTE ERD

Di harte erd, der royer feldz,
Mit blut adurkhgenetste,
Di vilde bsure fun der vayt –

Iz yener tog, der groyser tog

Iz yener tog, der groyser tog
Shoyn ongekumen?

Der tog ven yeder volf iz zat
Un s'vet keyn leyb nit brumen –
O, yener tog, der groyser tog
Shoyn ongekumen!

The hard earth, the raw cliffs,
Soaked through with blood,
The wild news from afar –
Is it the last?

The prophet says: a day will come
When all the beasts will be silent.
Has that day, the great day
Come?

The prophet says: a garden blooms,
Bathing the earth in flowers.
Has that day, the great day
Come?

The day when every wolf has eaten enough
And no lion will roar –
Oh, that day, the great day
Has come!

32. SHOLEM MARSH

We're going, we're coming,
From hill and dale,
Singing praise to the peoples.
Spread your wings,
Spirit of the prophet,
And be our snow-white dove.

We greet each other
In peace and friendship,
For the heart of our generation is new.
A world of friends
In good times and bad,
The old dream comes to life.

We are the peoples,
We are the world,
We sing praises together.
Spread your wings,
Spirit of the prophet,
And be our snow-white dove.

33. L'SHONO TOYVO

Oh, Boiberik, the time has come,
The end, the end is here.
The joy of summer is still alive
In our hearts the last hour.

And when winter arrives
And everything is white with snow,
Boiberik will warm us
With the light of summer joy.

Warm us and illuminate us
And call: I am here.
That's when we will come and start
All over again.

Oh, the hot day sets
And the cool evening blows,
And the child stands exhausted
At my door.
Come to me, my child,
Come to me, my child,
Your table set with milk and bread
Stands ready for you.

The moon swims out
Cold and sad and big.
The child eats, and big and hot
A tear falls.
Come here, my child,
Come here, my child,
Lay your head in my lap
And fall asleep.

When the day gets tired and worn out,
It rushes to its end.
And the flags stop fluttering
And ask for rest and sleep.

We pull down the flags,
Cradle them in rest,
And begin to sing a lullabye,
Ay-lyu-lyu.
